The Promise of Peace: New Series Starts this Morning

There is so little peace in our world. The number one health problem in America is anxiety. People are five times more stressed and worried today than people were during the Great Depression. And yet, thousands of years ago, peace was promised to us. And peace has come. But does peace fill your heart? This Christmas, we invite you to join us as we look back at the Old Testament and the promise of peace to each of us, and draw near to the One who came to fill our lives with heaven's peace.

The Promise of Peace

There is so little peace in our world. The number one health problem in America is anxiety. People are five times more stressed and worried today than people were during the Great Depression. And yet, thousands of years ago, peace was promised to us.

And peace has come. But does peace fill your heart? This Christmas, we invite you to join us as we look back at the Old Testament and the promise of peace to each of us, and draw near to the One who came to fill our lives with heaven's peace.

Statement of Faith

We Believe:

Scripture: The Bible is the inspired and inerrant Word of God. The Bible is the ultimate, complete and eternal source of knowledge about God and the definitive guide for our daily lives.

God: There is only one God, existing in three distinct persons: the Father, the Son and the Holy Spirit. God is self-existent, eternal, unchanging, omnipotent, omniscient, omnipresent, holy, righteous and loving.

God created the universe from nothing and He is the sovereign ruler over His creation.

Man: Man is a physical and spiritual being (composed of spirit, soul and body), who was created in God's image. However, because of sin, man has lost his fellowship with God and is destined to die.

Grace: Grace is the unmerited, undeserved love of God manifested in Jesus Christ. Jesus, who is fully God and fully man, was sent by God the Father to save mankind from slavery to sin. Jesus was born of a virgin, lived a perfect life, suffered and died as an atoning sacrifice for all sins, physically rose from the dead and will one day return to deliver His followers and judge the world. Faith in Jesus Christ is the only means by which mankind can escape judgement, separation from God and eternal damnation.

Church: The Church is ordained by God, headed by Jesus Christ and composed of all true believers from Pentecost to the Rapture. The Church is also referred to as the "Bride" or the "Body" of Christ. Members of the Church organize local churches for worship, for fellowship, for the administration of the sacraments (primarily baptism & the Lord's Supper), for spiritual growth and support and for evangelizing the world.
